

ISCA-SAC Doctoral Consortium 2023

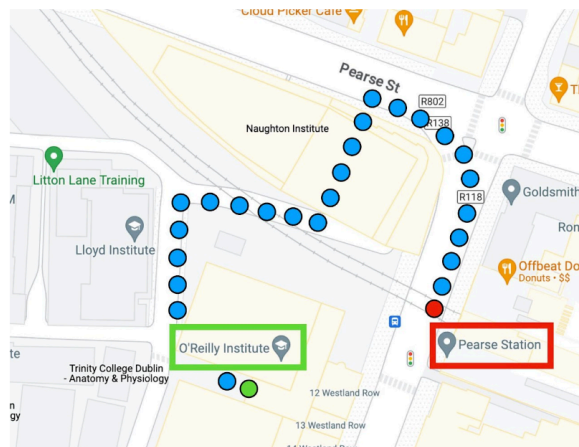

Location

Date: Saturday, August 19th, 2023

Time: 9:00 - 15:30

Venue: O'Reilly Institute, 25 Westland Row,
Dublin 2, Ireland (located in Trinity College Dublin)

Directions: O'Reilly Institute is a 5 min walk from Pearse Station. Take the stairs shown on the top right image to enter the building.

Schedule

Time	Description	Experts	Abstract/sStudents	ID
9:00 - 9:15	Welcome note			
9:15 - 9:45	Presentation	K. Berkling S. Le Maguer M. Magimai Doss	A. R. Mandeel, "The Future of Speaker Adaptation: Advancements in Text-to-Speech Synthesis Solutions"	2
9:45 - 10:15			C. Figueroa, "Predicting the Lexical Form and Prosody of Feedback for Synthesis"	6
10:15 - 10:45			F. Seebauer, "Synthetic speech evaluation: Description of a more fine grained MOS framework and proposal for a more context specific paradigm"	7
10:45 - 11:15			Coffee Break	
11:15 - 11:45	Presentation		J. A. Vega, "Glottalization and tonal system in Korebaju. An interdialectal study of Tama and Korebaju varieties"	11
11:45 - 12:15			M. Masson, "Identifying non-native English speech patterns in ASR systems"	14
12:15 - 13:15	Lunch Break			
13:15 - 13:45	Presentation	K. Berkling	G. Deshpande, "Breathing Patterns in Speech : Discovering Markers of Health"	9
13:45 - 14:15			D. C. Woszczyk, "Dementia Obfuscation in Speech"	12
14:15 - 14:30	Coffee Break	M. Magimai Doss		
14:30 - 15:00	Presentation	P. Swietojanski	D. Eledath, "Few-shot learning for End-to-End Automatic Speech Recognition"	4
15:00 - 15:30			P. Singh, "Supervised and Self-supervised clustering algorithms for Speaker Diarization in the Context of Conversational Speech"	3
